Contra Costa County

Teachers of the Year

The Contra Costa County Teacher of the Year program honors and recognizes teachers from throughout the county for the amazing work they do every day. There are several ways individuals and organizations can participate in support of this valuable program.

The most common way to participate is to become a donor. Donations are used to celebrate teachers and fund classroom grants, which are distributed to each Teacher of the Year.

- Provide support for classroom/school programs
- Develop school/business partnerships
- Help increase public awareness of teaching excellence in our county

All contributions go directly into classrooms or to recognize educators.
